

NEAL'S YARD REMEDIES

This year, raise money for our School with Neal's Yard Remedies

Edenderry Primary School

In these unusual times when we are unable to gather for our annual School fundraisers, we are going virtual! We have partnered with Beulah Keane who is an independent consultant with Neal's Yard Remedies (NYR). 20% of all sales will go towards our School PTA fund. A fantastic opportunity for you to either treat yourself, or get ahead on your Christmas shopping and supporting your School PTA at the same time.

What is Neal's Yard Remedies?

NYR is committed to help you look good and feel good inside and out! With nearly 30 years of experience, pioneering in organic, natural health, skin and beauty products that you can rely on.

Its foundations are built upon sourcing 100% natural or organic essential oils and herbs, offering the UK's largest range of organic health and beauty care.

We only call ingredients organic when they're independently certified, and we work closely with the UK's Soil Association to develop voluntary organic standards – 60% of our entire range is certified organic by the Soil Association and it's the largest organic range in the country.

How will the online event work?

- You will receive an A4 pack including samples, sent home from School with your child from week commencing 2nd November. The samples will give you an opportunity to try and test a range of skin products. You may also receive samples associated with health & sleep aids, and essential oil scents.
- You can also complete the reply slip, which you can send as a WhatsApp message to Beulah.
- You will be invited to an online event for a virtual social get together to learn more about the samples and wider NYR product range, possible prize for someone on the zoom call, as well as an opportunity to get recommendations on Christmas gifting. 20% of all sales will go to our School PTA fund.

How do I get involved?

- Fill out the reply slip and send Beulah a WhatsApp photo, or print scan and email to Beulah. Do not send to the School or PTA.
- Visit the website for gift inspiration, and information on the wider NYR product offer via the following link.

Next steps

- Send the reply back to Beulah and she will set up your online event.
- Try out the sample pack when it arrives home in your child's school bag
- Get involved and support our School!
